

# Meet Widow!

My name is Widow the Spider and I need your help to determine the animals that may bite or sting. Use the clues below to solve the puzzle.

**Across**

- 1. I have pinchers and a tail that stings
- 3. I have a see-through body with long tentacles
- 5. I have eight legs and spin a web
- 6. I am usually black or red in color with 6 legs and I like picnics
- 7. I fly and make a buzzing noise

**Down**

- 2. I am fuzzy with lots of little feet and I eat leaves
- 4. I have no legs or arms but special teeth to bite
